This book is for you and your child's health worker. It gives you advice on how to raise a happy, healthy child. It is also a record of your child's growth and development, and is used by health workers to make sure that every child gets the care that they need at the right time.

For your child to grow and develop best he/she needs:

- 1 Good nutrition
- 2 Lots of love, playing and talking
- 3 Protection from disease and injury
- 4 Health care when they are sick or injured
- 5 Extra care and support if and when they need it

Read this book from cover to cover to learn how you can help your child grow and develop. Please keep this book in a safe place and take it with you every time that your child visits a clinic, hospital, doctor or other health facility.

Although information from this book may be requested by your child's preschool or school, it should always be kept in your care.

Ask the health worker about your child's health, growth and development at every visit. Speak to your health worker about any concerns.

For health workers ...

- Make sure that every child has a Road to Health book. If they do not have one make sure they are given one.
- Always ask for the Road to Health booklet and encourage parents and caregivers to bring it with them every time they visit the clinic, doctor, hospital or any health facility.
- Complete all relevant sections of the booklet at each visit.
- Talk to caregivers about what you are doing and encourage them to ask questions and share any concerns.
- All mothers should be introduced to the booklet during their antenatal care.
